WESTERN AUSTRALIA

Run for Reconciliation – Donate now

Run for Reconciliation (Run4Rec) is an event organised by Reconciliation WA to bring cultural recognition and awareness to the annual Perth City to Surf.

We aim to achieve this through:

- *A large Run4Rec team that represents 3.1% of the events running population. A figure that is representative of Western Australia's Aboriginal population.*
- *Welcome to Country at the beginning of each race component;*
- *Unique highly visible running shirts on team members and support crew;*
- *Traditional Noongar cultural activities and entertainment on the run route & at the finish line*

Reconciliation must live within the hearts and minds of all Australians. Since colonisation wrongs have been committed towards our First People, and as a nation we must respect & acknowledge the injustices of the past. This healing journey will enable our collective cultural identity to mature as a united nation.

Donations towards Run4Rec will help Reconciliation WA to deliver an activity that will help to foster relationships, respect and opportunities between our First people and other Australians.

Check out our youtube clip for more: <https://www.youtube.com/watch?v=G2iZbgS5F18> for a preview into our impact at last year's City to Surf Run for Reconciliation.
