

Evolving the reconciliation movement in a post-referendum world.

In 2024, Reconciliation WA will be leading Western Australia's post referendum discussions, as we consider the future vision of the reconciliation movement.

We will be holding these yarns in February and March 2024, in partnership with a number of key organisations to ensure a broad community of views are heard.

Help us shape Western Australia's reconciled future

There will be a range of ways for you to contribute, whether you would like to provide a quick comment, or to engage in longer discussions. Whether you live regionally or in metro areas, there will be avenues to provide your input, and safe spaces will be created for both mob and ally discussions.

Be a part of the next horizon

Register your interest to get involved today, and we will be in touch with you in the near year.
