2024 STREET BANNER AND MERCHANDISE ARTIST

Thanks to support from the Department of Local Government, Sport and Cultural Industries, hundreds of NRW street banners across WA are flying proud and high, featuring Renita Brown Nungurrayi's artwork. Renita paints *Mina Mina*, a significant women's Dreaming site, as passed down to her by her mother, Flora Brown Nakamarra who received it from her mother, and so on. A collection of merchandise on sale also features the artwork, with funds from sales directly supporting Renita.

RECONCILIATION ALLIES: KEYNOTE IN CONVERSATION

The Hon Robert French AC and Dr Betsy Buchanan OAM shine a spotlight on allyship and the important role each of us must play in the reconciliation journey. Dr Buchanan and Justice French have collectively championed reconciliation, justice and Aboriginal rights for decades and take this opportunity to reflect on their journeys and rally for the continuing work of reconciliation.

FINALE

A special West Australian Opera performance, *Wundig wer Wiluna* that recently featured as part of Perth Festival. Forbidden love, feuding families, and fatal consequences - it's an ancient Noongar story of star-crossed lovers.
